Dear Community Business Partner,

Please allow me to introduce ACTION®, a local nonprofit that mobilizes volunteers across Ventura County to strengthen their communities through everyday acts of service. ACTION is a different kind of non-profit in Ventura County. We are individuals, agencies, businesses, and churches who come together to serve the vulnerable in our communities. We're all the people who have ever said, "I wish I could do something."

For the 15th year in a row, ACTION is hosting Love VC, a county-wide event that brings acts of service to communities in need. On Saturday, June 6th, thousands of volunteers from churches, businesses and agencies will spend time serving their communities together. In 2019, 2,000 volunteers from 57 churches and businesses worked side by side on various projects throughout the Ventura County. Together, we assisted the homeless, disabled, elderly, and under-resourced residents of Ventura County to let them know that they are cared for and loved.

Would you please consider partnering with us as a Love VC Sponsor in 2020? Your financial contribution will bring the needed materials for the projects our volunteers complete, which will have a huge impact in our community. Participating businesses can have their company listed on our promotional materials as well as on our website as one of our sponsors. Please see our Sponsorship Packages Form for more options.

We hope you will partner with us so we can continue to help people of Ventura County. Feel free to contact us at any time if you have any questions.

Thank you in advance for your support!

Sincerely,

Natalie Pavia
