

LOVE VC 2020 SPONSORSHIP PACKAGES

LOVE VC is a county wide event that brings acts of service to our communities in need. On one day, 2,000 volunteers from churches, businesses, and agencies come together to complete projects in neighborhoods across Ventura County. Projects focus on serving seniors, residents in transitional living homes, low-income families, foster families and people with disabilities. If you are part of a business or organization that wants to make an impact in the community, become a Community Sponsor for LOVE VC! Your contribution will bring the needed materials for the projects our volunteers complete, which will have a huge impact on our community.

YES! I WOULD LOVE TO SPONSOR LOVE VC AS A:
