

# 2020 GALA SPONSORSHIP PACKAGES

*ACTION is a different kind of nonprofit in Ventura County. We are individuals, churches, agencies and businesses who come together to serve the vulnerable in our communities- those who often fall through the cracks. We partner with agencies to give us insight into areas where volunteers can meet the most pressing needs, and empower churches, businesses and individuals to manifest compassion and service as representatives of their communities. By coming together, we believe we can raise the awareness of social and economic issues in our county, and create a community of neighbors that care for one another. As part of our community, you can make us who we are by taking ACTION!*
