

IT'S A VIRTUAL
VOLUNTEERING
WEEKEND!!

LOVE VC 2020

JUNE 5TH - 7TH

Join us for our first ever *virtual* LOVE VC event! On one weekend, Ventura County is coming together to complete hundreds of projects to spread love to our neighbors from the comfort of our own homes!

You can:

- ♥ Write letters of love for the elderly!
- ♥ Make cards for high school graduates!
- ♥ Clean out your closets for charity!
- ♥ Walk miles for a good cause!

Learn more and sign up at ACTIONvc.org/love-VC

**THERE ARE SO MANY
WAYS YOU CAN LOVE
VENTURA COUNTY
WITH US!**

PROJECT SENIOR SMILES (AGES 5+ WITH A GUARDIAN)

Make cards for the seniors at your local nursing home! Support our elders during this critical effort to help fight loneliness. Physical isolation is important for public health right now, but our elders deserve to feel supported, too. The nursing homes are closed to visitors right now, and seniors (and staff!) there could really use some love and cheer. For every volunteer spot you sign up for, please make 5-10 cards. We really want to show our appreciation and love for these neighbors at this time!

PROJECT GRAD LOVE (AGES 18+ PREFERRED)

Make cards for the graduating seniors in your neighborhood! Graduating seniors are missing out on the usual fanfare of their graduation- so wouldn't it be great if our neighborhoods could rally around them instead? This project does require connecting with your neighbors- so it's a great opportunity to make new friends while supporting the youth in your community! For every volunteer spot you sign up for, please plan on contributing 3-5 cards.

PROJECT PASS IT ON

Clean out your closets for families in your community! We are partnering with Lighthouse Women's Shelter and Gabriel's House to collect new and gently used items for the families they work with. Take a few hours to go through your closets, garage and/or living space. Collect items that are no longer needed that would be greatly appreciated by a local family!

PROJECT CHARITY MILES

Do you love to take walks in your neighborhood? Do you want to get PAID for walking- and have that money go to an amazing local charity? Log some steps for Charity Miles! You can choose from a variety of charities that have chapters in our county-, Feeding America, Girl Up, and the National Park Foundation are favorites among ACTION staff. Download the App, Charity Miles, to get started! For every volunteer spot you sign up for, please commit to walking at least one mile. You can do it!
