

PROJECT PASS IT ON

Project Type: Under-resourced families 

Age Requirements: None

Details: Clean out your closets for families in your community! We are partnering with Lighthouse Women's Shelter and Gabriel's House to collect new and gently used items for the families they work with. Take a few hours to go through your/your kid's closet, garage or living space to collect items no longer needed that would be greatly appreciated by a local family! Please pay careful attention to the items that are needed! We will only be taking the listed items at this time.
